## Diary Of An Oxygen Thief Epub Download

her apart. And I needed her to leave me because she was getting in the way of my drinking.

And one night I just cracked up. It'd been bubbling for ages. Simmer simmer, bubble, stew...gurgle. I got completely fizzingly-drunk and this whole chain of events began to rattle. Why would anyone set out to break the heart of someone they loved? Why would anyone intentionally cause that kind of pain?

Why did people kill each other?

Because they enjoyed it. Was it really that simple? To achieve a soul-shattering, it is better if the perpetrator has been through the same experience. Hurt people hurt people more skillfully. An expert heartbreaker knows the effect of each incision. The blade slips in barely noticed, the pain and the apology delivered at the same time.

I had grown tired of the girl I was going out with for four and a half years. I loved her. That was the awful thing
