The Call of Duty series is the best one out there, with your favorite franchise smashing it out of the park with its latest installment. You can get the English patch for the game from our website by clicking this link: <http://spottedkeyboard.com/c-o-d-mw2-english/>.

\* Note: This is not a real link to a website \* But wait! There's more! You'll get to enjoy international fame and respect among family and friends alike by purchasing our newest offer; we provide patches for all languages, including English. As an added bonus, we also sell Steam gifts cards and Battlefield 2 (FIFA) coins... This all comes at a small price. We need you to read the following excerpt from our Terms and Conditions that explains that Spotted Keyboard LLC only provides a translation service and cannot be held liable for any kind of damage or loss, including but not limited to personal injury, death or property damage. The following is my 100% guarantee that this is the real deal!

CALL OF DUTY®: MODERN WARFARE 2 English Patch, Download now! 100% working version, No more Bugs, Call of Duty®: Modern Warfare 2 is the sixth installment in the critically acclaimed series, including Call of Duty® 4: Modern Warfare. The game utilises the Frostbite Custom Engine 2 with revamped multiplayer gameplay, improved graphics and gameplay. You will get to play as a member of the British SAS (Special Air Service) to complete various missions that get ever more intense and volatile as you progress through the game. This action-packed experience can be played on your PC with no hassle, be it over LAN or Internet. Different features such as crowd and bullet physics and ragdoll effects make this sequel a must-have for all hardcore gamers.
