EASEL DETAILED SIZE INFO

Suitable for all ages and heights

About this item

- ✓ Double-Layer: Bigger object can be held because it is displayable in two different layers in terms of height.
- ✓ Instruction: Metal material, very stable, can be applied to tools within 5KG, the maximum load-bearing capacity is 5KG.
- ✓ Tall & Adjustable: 22 - 66" height is comfortable to stand and paint especially for tall users, also suitable for canvas. Meanwhile, it can also be used on the tabletop or any height [Display Stand](#) in between.

✓ Easy Carry & Setting Up: Compact design is great for carrying around. The height can be handily fine-tuned.

✓ Various Scenarios: Suitable scenarios include function-wise (painting and displaying), place-wise (indoor and outdoor), posture-wise (standing or sitting).
