Are you planning a dream Wedding in Jim Corbett? and want to experience what a dream wedding looks like? Here are the things you will have to decide for your **Wedding Resort in Jim Corbett**.

1. Venue: Jim Corbett has a wide range of luxury resorts, boutique hotels, and private villas. You can choose it considering your guest size list and the type of wedding you want.
2. Theme: Theme is one of the important factors in a wedding, you have to decide what type of theme you want, whether is it a Traditional Indian Wedding or a Modern Western-style celebration, choosing a theme will surely assist you in wedding planning.

You can take ideas from the natural beauty of Jim Corbett like you can add greenery, flowers, and much more.

3. Wedding Planner: A professional wedding planner will help you to manage the whole wedding. He will guide you from choosing the best vendor in town to transportation, He will ensure that all your events during your wedding go smoothly without any flaws.

4. Accommodation: You have to finalize the number of accommodations you will require according to the guests.

There are so many accommodations available in the Jim Corbett from Luxury to affordable base prices.

You just have to take a look at what range, what type of rooms they are giving, and whether the amenities that you are looking for in a room are present or not.

Actually, Choosing the right accommodations is all depends on your budget and your requirements

5. Menu: You don't want to have a simple menu in your dream wedding, So Choosing a lavishing menu is not a cup of tea, you have to discuss it with your family and loved ones before selecting it.

You have to go through some of the best wedding food menus before finalizing them.

6. Entertainment: Entertainment is one of the most crucial parts of a wedding, without it your wedding doesn't look like a wedding.

You can choose from traditional music to modern western music, you can also choose dance groups, musicians and others too.

There are many options available to keep your guests entertained. Work with your wedding planner, he will guide you to choose the best options.

7. Photography and Videography: Who doesn't want to capture a precious moment? Photography and Videography are much-needed options in weddings.
