

**SECURING YOUR
FUTURE IN THE UK: A
GUIDE TO
INDEFINITE LEAVE
TO REMAIN**

Indefinite Leave to Remain (ILR) is a key milestone in the UK immigration process, offering individuals the right to live and work in the country without time restrictions. As a form of permanent residence, ILR provides greater stability and is often a stepping stone to British citizenship. At Visa and Migration Ltd, we guide applicants through the legal and procedural steps needed for a successful ILR application.

Understanding Indefinite Leave to Remain

ILR grants long-term settlement rights to non-UK nationals who have lawfully resided in the country for a qualifying period. Once granted, you are no longer subject to immigration control and are free from visa extensions. It also opens access to certain public services and benefits not available to temporary visa holders.

Who Is Eligible to Apply?

Eligibility depends on the type of visa you hold and how long you've stayed in the UK. Common visa routes to ILR include:

- Spouse or partner visas
- Skilled Worker or Tier 2 visas
- Long residence (10 years lawful stay)
- Refugee or humanitarian protection routes

Most applicants need to have lived in the UK for five years, though this can vary. Other conditions include demonstrating strong ties to the UK and meeting character, language, and residence requirements.

Main Requirements for ILR

To apply successfully, you typically need to:

- Prove continuous lawful residence
- Pass the Life in the UK Test
- Meet the English language requirement
- Show no serious immigration breaches
- Provide evidence of financial stability if applicable

Visa and Migration Ltd ensures your documentation is complete and compliant with current Home Office guidelines.
